Waxyaboo kale ayaa la tixgelinayaa.

Iminka laba fikradood ayaa la tixgelinayaa; Fikradda 1aad iyo Fikradda 2aad taasoo ay Fikradda 2aad ay leedahay laba kala doorasho oo 2A iyo 2B.

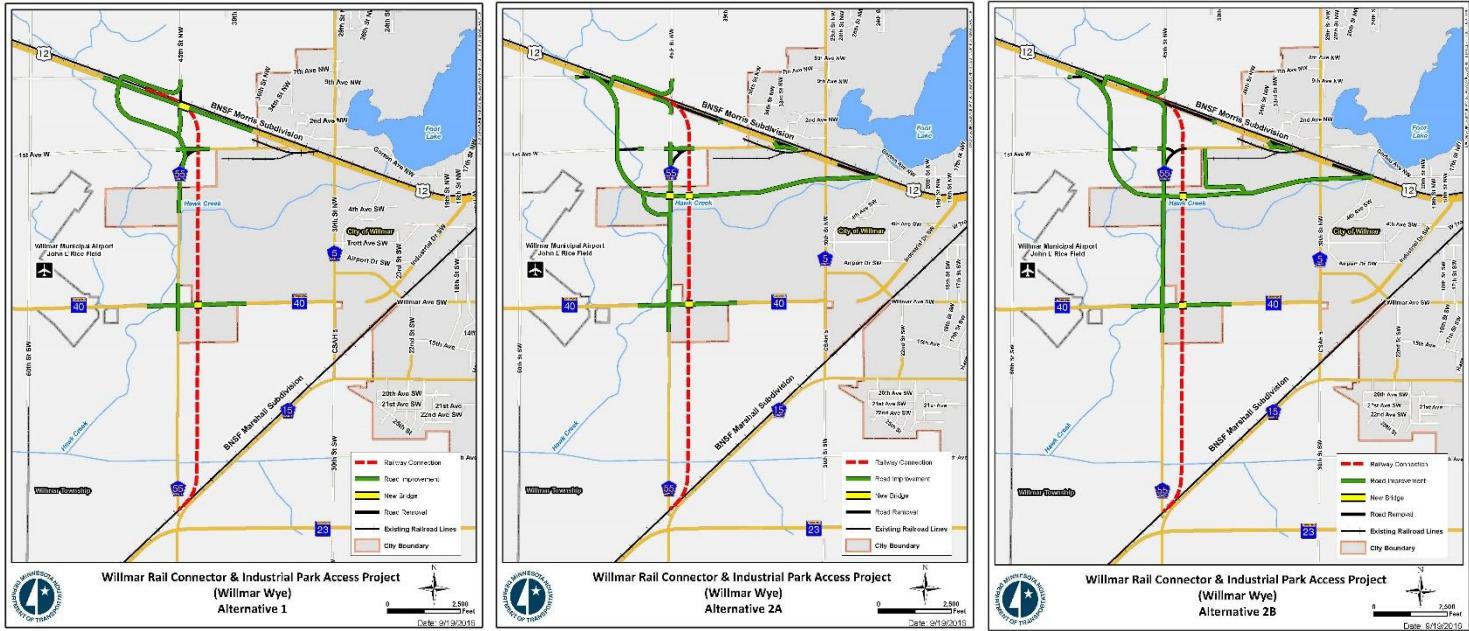

Tixgelinta 1aad waa in Wadada 12 lagu daayo halka ay iminka ku taal. Tixgelinta 1aad waxaa ka mid noqonaya dhismaha gidaar dheer oo lagu dhereriyo buundada Wadada 12aad oo lagu dul dhisoo halka uu marayo tareenka.

Fikradda 2A iyo 2B waa isku mid oo waa dib u naqshadeynta Wadada 12aad iyo dhisidda buundo fudud oo lagu dul dhisoo halka uu maro tareenka. Labada 2A iyo 2B waa kuwo loo dhaqan gelinayo hab dhaqameedkii soo jireenkii ahaa.

Doorshada 2A waxaa laga dhisayaa isgoyska wadada 1aad iyo khadka tareenka. Isgoyska waxa uu noqnayaa mid si heer sare ah loo farsameeyey. Doorashada 2B ma laha meel uu tareenku ka talaabo, laakiin waxa ay leedahay waddo dhinac socota oo gaarsiineysa wadada 1aad iyo wadada 12 (Highway 12).

Labada tixgelinba waxaa ka mid ah buundada tareenka oo la dul mariyo wadada 40aad.

Labada tixgelinba waxaa laga arki karaa www.dot.state.mn.us/d8/projects/willmarwye/index.html.
